Dear Supporter,

In 2020, Jay Miralles, Matt Bills, and Jamie Seeman, three visionaries with a heart for serving our Veteran community, set out to raise funds and awareness for veterans facing mental health challenges and homelessness. Together they founded 50 Mile March, bringing together our community to rally around this significant cause.

Our Mission: *The 50 Mile March Foundation serves Veterans experiencing homelessness and mental health challenges by fostering a community of hope and relentless support.*

The 50 Mile March raises awareness and funds through a ruck march from the steps of the Capitol building in Lincoln to Omaha each August. The walk has grown from six participants in 2020 raising $25,000 to 167 walkers in 2026 raising nearly $850,000. More than $600,000 in community grants have been provided to local nonprofit agencies serving veterans.

Our Goal: Entering our eigth year, we strive to raise awareness and $1,000,000 to support local veteran-serving nonprofits and the larger vision of the 50 Mile March Foundation; the Community of Hope campus in Bellevue, Nebraska. Our plans include a shared services campus with community center, housing, green space, and more.

Our Need: Your support of our mission will not only help existing nonprofit agencies serving Veterans to thrive, it will also help lay the foundation for a community for our Omaha area Veterans. You can help by:

- Joining us as a corporate sponsor of the walk
- Making a donation to one of our walkers
- Spreading the word about the mission of 50 Mile March and encouraging others to give
- Volunteering at the walk August 21-22, 2027

You can learn more about our mission at www.50milemarch.org or find us on Facebook, Instagram, and LinkedIn. Thank you for your support of Veterans and the 50 Mile March Foundation.
